“ *Childhood memories come rushing back as I remember Uncle Donald. He was very important as my father was overseas and the family took very good care of us. Love to all*

“ *Thinking of you all. Whippoorwill Road was wonderful to grow up on in the 1960s and 70s. A large reason was great neighbors like the Davis family. I always enjoyed greeting Mr. and Mrs. Davis in Church for many years as an adult. Mark I reflect back to when they got you a rockem sockem robot and you let me play----probably my first memory of meeting the family.*
