

Mr. William "Joe" Green

November 21, 1940 - November 1, 2025

William Joseph "Joe" Green

November 21, 1940 – November 1, 2025

William Joseph Green, lovingly known as Coach Joe Green, age 84, of Sylvester, Georgia,

passed away peacefully on Saturday, November 1, 2025, surrounded by his loved ones.

Joe was born in Detroit, Michigan, on November 21, 1940, to the late Thomas and Elanor

Safranski Green. He grew up in Dakota City, Nebraska, where his family moved during his

childhood. In 1962, Joe began a lifelong journey of service when he enlisted in the United

States Air Force, proudly serving his country for over two decades before retiring in 1983.

His Air Force career took him around the world, including Alaska, Japan, and Germany,

where he made lasting contributions to military athletics by helping establish youth and

base football programs.

Following his military retirement, Joe earned his Master's Degree in Physical Education

from Valdosta State College after completing his Bachelor's Degree in Biblical

Studies

from Baptist Christian College in Shreveport, Louisiana. His passion for teaching and coaching led him to a long and rewarding career in education, where he served as a teacher, coach, and mentor for countless students who still look up to him to this day.

Coach Green taught and coached at Brooks County High School, as well as Department of Defense schools in Germany, where his team's won championships and his players thrived under his leadership. In 1992, he returned to Georgia and continued his career with the Worth County School System as a teacher, ISS monitor, and coach for football, basketball, and track. His dedication to his students and athletes left a lasting impression that extended well beyond the classroom and playing field.

A gifted athlete himself, Joe ran track and played football and basketball throughout high school and college, competing at Wayne State College in Nebraska and participating in national track and field events. He carried his love for sports throughout his life, inspiring others with his energy, determination, and sportsmanship.

In 2004, Joe earned his Doctorate in General Education from California Coast University—a reflection of his lifelong belief in learning and growth.

Above all, Joe was a devoted Christian and a deeply committed family man. He was a loving husband, father, grandfather, and great-grandfather who found his

greatest joy in the time he spent with his family. Joe's life was a reflection of his faith—rooted in kindness, humility, and unwavering integrity. His legacy of love and leadership will continue to live on through all those who were blessed to know him. Joe was also known for his sharp wit and sense of humor that could light up any room. He loved to laugh and make others laugh, and his favorite phrase, “shock ya mama,” never failed to bring smiles to those around him. His humor and joyful spirit will be fondly remembered by everyone who had the pleasure of knowing him. Joe is survived by his devoted wife, Paula Green, and his beloved children: Sandra (Bill) Morgan, Shelly (Kevin) Schaeuble, Scott (Donita) Green, Roger Jr. (Chelsea) Emmick, Heather Emmick, and Steven Emmick. He also leaves behind his cherished grandchildren—Britni, Briana, and his precious “Dolly Dumpling,” Jacey Compton—each of whom brought immense joy and pride to his life every single day. In addition, Joe is lovingly remembered by his many great-grandchildren, who will carry forward his strength, humor, and the warmth of his enduring love.

. The funeral service will be held at 11:00 AM on Tuesday November 4, 2025 at Saint Teresa's Catholic Church. Father Ray Levreault will officiate. In lieu of flowers donations may be made to Saint Teresa's Catholic Church, 421 Edgewood Lane, Albany, GA. 31707

“ He was a wonderful coach. I had him for P.E. around 2013. Coach Green was a funny guy.. I remember when he would stick his dentures out just a little bit to mess with the kids. I always thought it was the funniest thing ever. I've caught myslef thinking about him from time to time.. He will be missed dearly!

“ He made ISS an awesome memory i will never forget. He was a kind man under that rugged exterior. Coach Green had a Massive Pressence also. He really did want all of his students to be better, work hard and make something of themselves. Regardless if any one of us showed it or not, we loved this man very much. He really did touch our hearts, even if we didn't realize it then. Coach Green will be truly missed by everyone.

“ I had the honor to coach on the same staff with Joe and later when I became principal at WCHS, he worked as a teacher and coach at the High School. He was a wonderful educator and deeply cared about all of his students and athletes. I would talk to Joe from time to time on the phone and would also run into him around town sometimes- he always asked about my family, and would specifically ask about all of my children and call them each by name. Coach Green was always good for a laugh and I have many funny stories from our days working together. He shared his faith openly with me and many others- he was a good man and will be missed. My deepest sympathy to all of the family.

“ To Paula and the family. Coach was a blessing and joy to me and my sons. He followed their careers and always told me at church how proud he was to know them. It's obvious by all previous comments this was not an exception but the rule for how Coach loved and treated people. He loved his neighbor as he loved himself. Thank you for sharing him with us. May his soul and all the souls of the Faithful departed, through the Mercy of God, rest in peace. Amen

“ *Coach Green was such a wonderful person. He was probably one of my favorite teachers from high school looking back. Always knew how to make your day better regardless of anything. Tough on you when you needed it but rewarded you when you earned it. A great man. Rest in Peace Coach Green you'll be missed greatly!!*

“ *Dear Paula, what a great blessing Joe is to all of us. He was always
so positive and so generous and so caring there was nothing you
could ask that he couldn't find a way to get done. And to his dear
family, he loved you all so very much and in so many wonderful
ways. How his face would light up as he shared stories and
activities that you had all done together. Paula, how much he
treasured you. His love for all of you radiated just with every breath
he took. He will always be a blessing, and from heaven, he will
always be watching over you. All of our love and all of our prayers.
