“ *I am saddened to learn of Ed's passing. I just remarked to my wife that we should check on Ed and Linda. They were Mama's neighbors for many years. Ed was one of Mama's special angels who checked on her welfare daily and we could never thank him enough for that. Mama really thought a lot of him and looked forward to his daily visits. He was often the only person she might see on some days. Our thoughts are turned in your direction Linda during Ed's departure as they will be in the days ahead.*
