I have known Willie Faye since October 1968 she was a very sweet and loving kind lady always had a beautiful smile. Was once my Supervisor at Sylvester Textile, after the Factory closed we still remained friends we talked a lot on the phone about the job we both loved so much. We talked last Tuesday evening didn't know that would be our last conversation for years we started telling each other before we hang up we love one another I do believe it was from the bottom of the bottom of her heart and the Lord knows it was from the bottom of the mines. Her last words to me was I love you Dorothea, which will always rest in my heart. So to her kids grandkids and Christine I will continue to pray for each of you, she talked so much about the Lord and how she wants to treat everyone the same because there's only one God. She was my friend indeed. I am gonna miss her, I'm going to say GOODBYE Willie Faye until we meet again.
