“ *Mr. Mims, truly knew what the “sprit of cooperation” really meant. He would generate a circle of kindness wherever he was and whatever he did.*

He was a County Commissioner when I took office as Probate Judge in 1981.

When the courthouse burned he was instrumental in its new birth with dedication and love for Worth County.

I have fond memories of Wilson and Harriet.

“MAY YOU REST IN PEACE “

“ *Mr. Mims was an extraordinary man and a delightful resident. It was an honor to care for him as his nurse. I am so sorry to hear of his passing. I just heard of his passing last night. I am sorry that I missed his funeral. My deepest condolences go out to his family and friends. I am praying for you all. He was loved by all that had the pleasure of knowing him. There's no greater eulogy than that. Heaven is a little brighter with his presence and he is finally reunited with his lovely wife. No more pain and suffering. I'll see you both again in perfect health and look forward to a tour of paradise. Rest in peace.*

“ I worked with him before going into the military at the engineers office across from the old hospital in Sylvester before it was shut down, an enjoyable time, and he was a pleasure to be around.

“ I remember spending many of our Sunday afternoons at Red Rock with Uncle Wilson (who we lovingly called “Uncle Snook”) and our cousins Beth, Henry, Kim and Kay. The many family Thanksgivings and Family Reunions held at the Mims Farm over the decades with Uncle Wilson and his brothers sharing stories, cooking bar-b-que, sharing a sip, and exchanging hats. Uncle Wilson was a hardworking, smart, opinionated, fun loving, wonderful family man. He left this world a better place and will be missed by many. Sending our love and condolences,

“ All dads brothers , our uncles were like 2nd dads to us cousins.
“Snook” as dad called uncle Wilson had a great sense of humor and
always made you feel at home. He took time to show us how things
worked on the farm and that related to a lot of things in life itself. A
Great Man, a loving father and uncle, a Navy Veteran of WWII, God
fearing with a heart of gold!
Farewell Uncle Wilson fare winds and following seas , until we all
meet again ❤️🙏🇺🇸

“ I remember when we would travel from Brevard NC to Red Rock for
each Thanksgiving. Sometimes Shorty the mule would make an
appearance at the table and WW would chase him away. We
always had a great time playing with our cousins and spending time
with WW and Aunt Harriet.
Thank you for your service.

“ *I had the pleasure of having W.W. (PaPa as his grand children call him) as a Father in law for a few years. He always had the most fantastic smile on his face and something funny to say. The memory I have most often of him was, when we were all gathered around the table to eat, when you weren't looking, he would tap on your plate with his fork. Through the years, I catch myself doing this to those that I love and that are the closest to me. I always smile and think of PaPa. He was truly a fine Southern Gentleman and just an all around great man. Love you always Ma Ma and PaPa. Sherri❤️*
